Care Ponies!

All of the members of our team are assigned a group and a UConn care pony!

At least once a month, each group is required to groom and spend time with their care pony. This ensures that our UConn horses who do so much for us feel loved and appreciated. Before our home show, we make our care ponies especially presentable by pulling their manes, brushing their tails, and more. Here are some photos with our care ponies!

Horse of the Month

Ziva is one of the newest additions to the UConn lesson program, and she is already a sought-after ride! Ziva is an American Sport Pony with a very accomplished show record- including Pony Finals! Ziva did an amazing job as one of our Upper Training Level horses at our Spring Home show, and has been lovingly nicknamed "Ziva the Diva." We are so thankful for all of the lovely horses who we are given the opportunity to ride!

Stay tuned for more updates and newsletters from our team!
