## Horse of the Month

Stoli is a 17 year old Morgan gelding who has been at UConn for about a year! He has an impressive past, participating in and winning dressage in hand classes when he was younger. He was also one of the horses in a grief therapy program. Last year, our captain Charlotte worked with Stoli in rehab, getting him ready to join the lesson practicum! We started riding Stoli in our practices at the beginning of the semester, and he took the new work in stride! We have loved being a part of Stoli's improvement, and are so excited to keep getting to know him!
