Care Ponies!

All of the members of our team are assigned a group and a UConn care pony!

At least once a month, each group is required to groom and spend time with their care pony. This ensures that our UConn horses who do so much for us feel loved and appreciated. Before our home show, we make our care ponies especially presentable by pulling their manes, brushing their tails, and more. Here are some photos with our care ponies!

Horse of the Month

Fig Newton, affectionately nicknamed "Figgy Newt," is a student horse graciously leased to the college. Fig is game to try anything, and has been honing his dressage skills in our lessons for the past two years. Fig was a super boy at our home show this month, placing extremely well in both DSE classes. We appreciate Fig being shared with us, and love having him as a part of our program!

Stay tuned for more updates and newsletters from our team!
